JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

GUATEMALA.

Weekly report of conditions and transactions at Livingston—Fruit port.

LIVINGSTON, GUATEMALA, *May 29, 1902.*

SIR: I have the honor to make the following report of the conditions and transactions at this port during the week ended May 29, 1902:

Present officially estimated population, 3,000. Number of cases and deaths from yellow fever during the week, none; number of cases and deaths from smallpox during the week, none; number of cases and deaths from typhus fever during the week, none; number of cases and deaths from cholera during the week, none; number of cases and deaths from plague during the week, none; number of deaths from other causes during the week, 3. Prevailing disease, malarial fever. General sanitary condition of this port and the surrounding country during the week, good.

Bill of health was issued to the following vessel: May 29, steamship *Condor*, number of crew, 16; number of passengers from this port, none; passengers in transit, none; pieces of baggage disinfected, none.

Respectfully, A. J. SMITH,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

PUERTO BARRIOS, GUATEMALA, *May 27, 1902.*

SIR: The health of Puerto Barrios and the adjacent country continues good. The following steamships have cleared for the United States during week ended May 24: May 20, steamship *Breakwater*, with passengers, for New Orleans; Norwegian steamship *Managua*, with cargo of fruit, for Mobile.

Respectfully, D. P. ALBERS,
Resident Medical Inspector for the Louisiana State Board of Health, Puerto Barrios.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

HAWAIIAN ISLANDS.

Influenza and dysentery for the six months ended May 1, 1902.

HONOLULU, H. I., *May 19, 1902.*

SIR: I have the honor to forward herewith a report covering the cases of influenza and dysentery in the Hawaiian Islands for the six months ended May 1, 1902. These statistics were furnished by the Hawaiian territorial board of health.

Respectfully, L. E. COFER,
Passed Assistant Surgeon, U. S. M. H. S.,
Chief Quarantine Officer, Hawaii.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.
